## Penrith Youth Orchestra

In February 2018, history was made for young musicians in Western Sydney when 44 students came together in the inaugural workshops of Penrith Youth Orchestra (PYO). The youth orchestra builds on the highly successful Penrith Strings program which ran from 2015 to 2017 through a partnership between Penrith Symphony Orchestra (PSO), The Joan, and the Australian Chamber Orchestra (ACO). For 2018, we have enrolled students in all sections of the orchestra.
